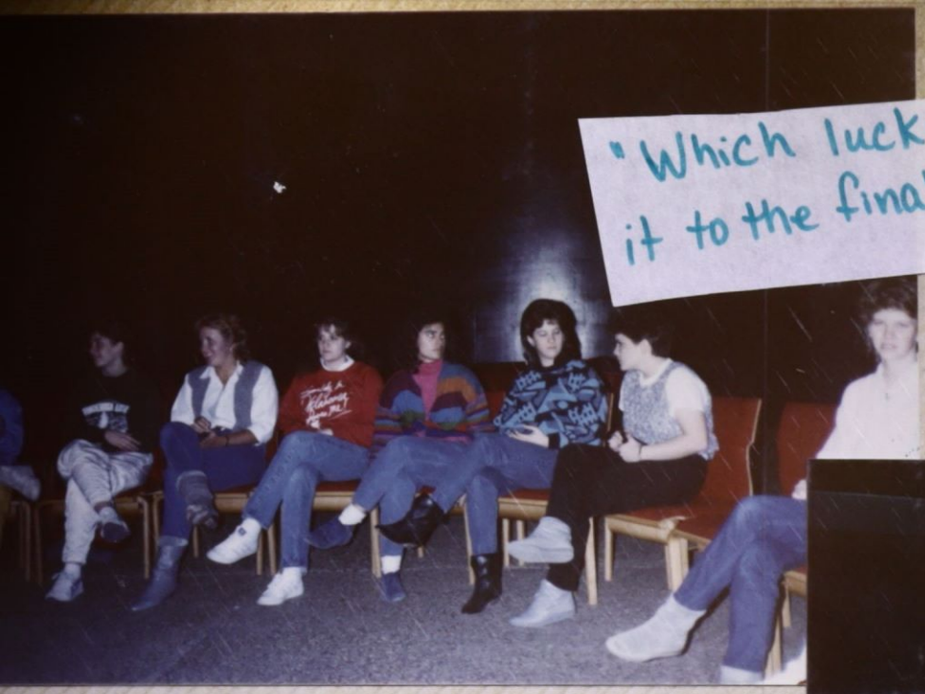
Look at those LEGS!

Wait, what's going on, where did that candle go!!

A happy face through a cloud of darkness!

Nancy wants to join in the fun too.

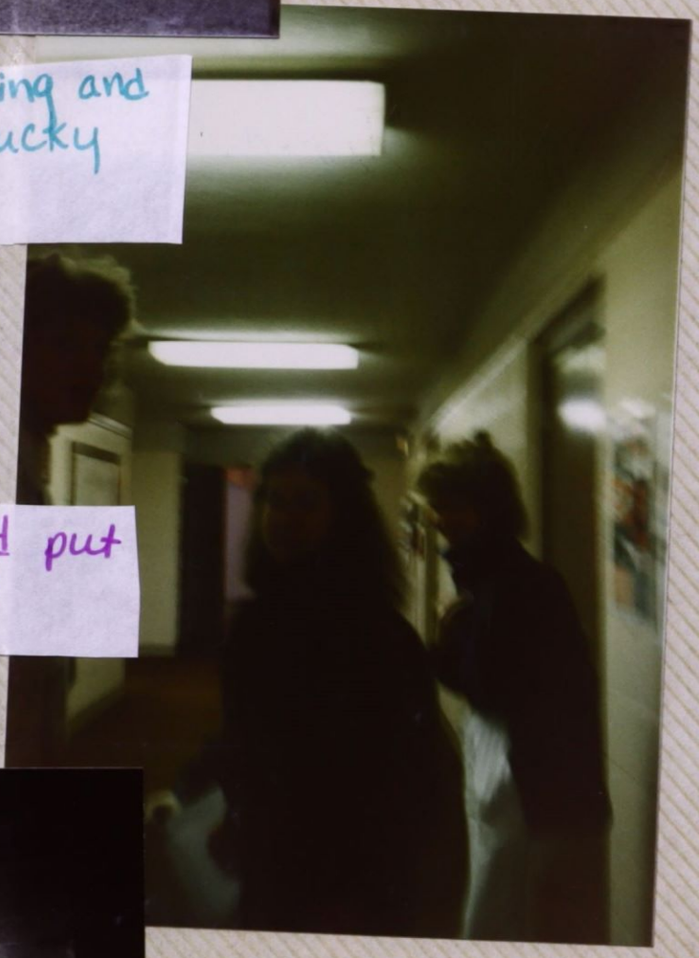


"Which lucky girl will make it to the finals, you decide?"

I think Sheryl wants that candle bad, don't you?

Mafia's Night Out

What, A triple candle passing and only one candle, Who's the lucky guy?!



Deanna, maybe you could put your flower picture here?!

"Karen, Bored?"

All right Karen, the candle is burning fast!!

Watch that ring, we wouldn't want anyone to take it, Sandy!

Eating Again!!
